## Matrix donates to Anniston youth football team

December 19, 2011–Anniston, Ala.– Matrix Environmental Services, LLC, a wholly-owned subsidiary of Matrix Design Group, Inc. (Matrix), donated \$1000 to support the South Highland Cowboys, a team that is part of the youth football program in Anniston. The donation, presented in November, supported the team’s attendance at the Turkey Day Classic, a national championship of youth football held in Georgia. The Cowboys got the opportunity to attend the championship after winning the North Alabama Football Tournament.

“We support initiatives that provide opportunity to students and we feel local community involvement must be an important part of our overall corporate strategy. It demonstrates our commitment to the areas in which we work,” said Dan Schnepf, CEO of Matrix Design Group.

Matrix Design Group, Inc. is an award-winning, interdisciplinary firm specializing in engineering, planning and consulting to clients across the U.S. Matrix has offices in Anniston, Alabama and Atlanta, Georgia, in addition to its headquarters in Colorado Springs, Colorado. Matrix is consistently ranked as a top design firm by Engineering News Record and a “Best Place to Work” by Zweig White, a design industry consultant.
