## Matrix announces new staff additions and achievements

December 21, 2011—Denver Colo.— Matrix Design Group, Inc. (Matrix) announces the addition of **Yong Song, PE, CFM**, as a senior water resources engineer. Song brings 20 years of professional experience in water resources, storm drainage and flood control to the Matrix team. Song is part of the Matrix team working on the Sand Creek Major Drainageway Master Plan project.

Also joining Matrix as Director of Planning in the Denver office is **Jack Lynch, AICP**. Lynch brings nearly forty years of urban design and planning, site planning, master planning, transportation and environmental planning, recreation planning, park design, and landscape architecture to the firm. Lynch is working on the Buckley Annex General Development Plan for the Lowry Redevelopment Authority.

In other Matrix staffing news, **Gerrit Slatter, PE, PTOE**, vice president and director of transportation and **Brian Bern, PE, PTOE**, project engineer, both passed their Professional Traffic Operations Engineer (PTOE) exam.

Matrix Design Group, Inc. is a Colorado-based, award-winning, interdisciplinary firm specializing in engineering, planning and consulting to clients across the U.S. Matrix is consistently ranked as a top 500 design firm by Engineering News Record and has been named a “Best Place to Work” by Zweig White, a design industry consultant.
